

IT Strategist

Looking for a company that is fast paced, growing and cutting edge? Then come to work for the area's fastest growing IT consulting company! Located in downtown Washington DC, Enlightened has been recognized throughout the years for our outstanding performance.

Inc. 500 ranked Enlightened as the #264 fastest growing company in 2004. In 2005, the DC Chamber of Commerce named Enlightened as the "Small Business of the Year". In 2006 and 2007, Enlightened celebrated being a part of the "Inner City 100" as one of America's fast growing inner city companies.

In 2009, Enlightened was recognized as one of the top 100 Minority Business Enterprises in the Mid-Atlantic Region by the Center for Business Inclusion and Diversity. This year Enlightened was honored with the Innovative Creative Entrepreneur (ICE) award for the 2010 Outstanding Small Business Award of Excellence from Morehouse College Entrepreneurship Center.

The Enlightened environment fosters growth, creativity, and on time client-focused delivery. We are a culture of passionate innovators and believe in providing world class service. We reward success with competitive compensation and benefits. Enlightened is a company on the move and if you're a team player looking for growth and the opportunity to work with the latest technologies - then we would love to hear from you!

Job Summary:

The primary role of this position is to understand the organization's overall business strategy and to develop a comprehensive IT Strategic Plan that aligns with the business goals and objectives. This position will continually assess all areas in IT to make sure their efforts and initiatives support the IT Strategic Plan, highlight gaps and identify alternatives to close gaps. The ideal candidate should also be skilled in enterprise architecture, project management and Business Process Reengineering.

Primary Responsibilities:

- Serves as the subject matter expert on all aspects of IT strategic planning.
- Defines the IT strategic planning approach and manages the IT Strategic Plan development life cycle.
- Collaborates with senior IT managers to ensure alignment of goals and objectives with the business strategy.
- Shapes the development of the IT Strategic Plan through interaction with various IT and business governance committees.
- Facilitates work group sessions to gather business needs from key stakeholders.
- Advises senior executives on the design and execution of the IT Strategic Plan, including process, approach, and implementation.

Results Beyond Your Expectations
